

Dear \_\_\_\_\_,

I am writing to ask you to consider supporting the 2018 Sr. High Yakama Mission Team this summer! We have 30 team members and we are raising support together. In an effort to give everyone in the Highlands congregation an opportunity to support this Mission Trip (and to make sure you won't receive multiple support letters), I am sending a letter to each family at Highlands. Even though you will not be physically going with us to the Yakama Indian Reservation, we desperately need you to be a part of our team by providing us with support in two ways.

First, and foremost, we need your prayer support. I ask that you pray over the next few months that God will continue to prepare our hearts, and the hearts of the children and families we will come into contact with while we are on the Yakama Indian Reservation. The dates of this Mission Trip are July 14 - July 21. Please pray that God will work in ways that

exceed our own understanding, in both the lives of the Yakama people and each team member. Please pray for our safety as well. While we are on the reservation we will be doing manual labor such as building and repairing roofs. We will also be conducting Bible Clubs for the Yakama children each day. Please pray that God will give us patience and soft hearts as we minister to children that crave love and attention. Please pray that God will go before us and prepare opportunities to share and receive the gospel.

Secondly, we need your financial support. Since we are raising support as a team, all financial support will go towards the total cost for the team. In order to cover the cost of this mission trip we need to raise \$1,300 for each team member. Please prayerfully consider supporting us financially. If you would like to send financial support, please fill out the small green form included with this letter and return it in the provided envelope with your check. Thank you in advance for being a part of our mission team, whether it is through prayer or financial support!

Yours in Christ,

*Billy Meenan*
